

Registration 10 Saturday at Presbyterian

The long anticipated centennial celebration in commemoration of the establishment of the First Presbyterian Church of Hope will get underway with registration at 10 a.m. Saturday. It will conclude Sunday afternoon with the unveiling of a monument at the site of the original church in the rural Greenwood community, 3 miles north of Hope.

Distinguished guests, former members and other out of town friends from half dozen states are expected to exceed 100 and the ladies of the church are planning to feed at least 200 persons at a buffet supper Saturday evening.

The church's early beginnings and important events of the past 100 years have been compiled in a 32 page illustrated brochure under the direction of Robert M. Wilson, clerk of the local church's session. It will be given without charge to those attending the centennial celebration.

The church was established on June 8-9, 1861, with 10 white members and 32 Negro slaves. The church continued to accept colored people into membership following the War Between the States until 1871. After that date most of the colored members withdrew to join churches of their own. The church was moved into newly established Hope in 1874.

The first centennial program, recalling the history of the church and honoring its founders, will start at 1:30 Saturday with a speaker list headed by Dr. Marjorie A. Boggs of Little Rock, who has recently retired after serving as moderator of the General Assembly of the Presbyterian Church in the U.S. Dr. Boggs is only the third Arkansan to be so honored.

Moderator of the Arkansas Synod is a Little Rock physician, Dr. Joseph A. Norton, who will officially represent all of the Presbyterians of Arkansas on the program.

Other speakers Saturday will include two former local pastors, Dr. Thomas Brewster of San Angelo, Texas and Dr. Stephen Cook of Batesville, also Dr. John T. Barr of Norman, perhaps the best known and loved Presbyterian in Arkansas, will be honored on this program and will speak.

The young people of the church will sponsor a reception beginning at 3 p.m. and will be followed with the buffet supper between 6 and 7:30 p.m.

Dr. James A. Millard Jr., Atlanta, Ga., executive head of the Southern Presbyterians, will be the featured speaker for the commitment program Saturday at 8 p.m. He will be introduced by Judge James H. Pilkinton, program director for the centennial. Special music is planned for all sessions of the celebration.

Teaching a joint session of the men's and women's Sunday School classes at 10 a.m. Sunday will be a young Ft. Worth minister, the Rev. James I. Logan, who is still remembered by many Hope Presbyterians for his brilliance in the pulpit when he supplied the local church during the summer of 1950 while he was still a seminary student.

Dr. Stuart R. Oglesby of Atlanta, Ga., native of Hope, and well known in Presbyterian circles all through the South, will give the centennial sermon at the morning worship with several visiting clergymen assisting in the service.

The Presbyterians will travel to Greenwood community Sunday at 2 p.m. for the dedication of a monument marking the site of the original church. The speaker will be a young Hope minister, who is serving two churches in the Memphis Presbytery, the Rev. Robert Lee Hyatt.

All principal sessions of the centennial program will be broadcast locally by KXAR, according to Haskell Jones, general chairman for the centennial. Mr. Jones and those working with him hope all friends of the church locally and in nearby towns will feel free to attend any or all of the centennial programs.

Presbyterian Program

DR. THOMAS BREWSTER, former Presbyterian pastor, who now lives in San Angelo, Tex., will speak Saturday afternoon.

DR. STEPHEN COOK, another former Presbyterian pastor who is returning to Hope to participate in the centennial celebration.

REV. ROBERT L. HYATT, son of Mrs. B. C. Hyatt of Hope, who is returning to his hometown to speak at the unveiling of a monument marking the site of the original Presbyterian church of Hope.

Harriman and Gromyki Talk Over Laos Deal

By CARL HARTMAN

GENEVA (AP) — W. Averell Harriman, President Kennedy's ambassador at large, conferred with Soviet Foreign Minister Andrei A. Gromyko today in a new effort to end the fighting in Laos and get the 14-nation conference started again.

Harriman took with him a note from U.S. Secretary of State Dean Rusk, approved by the President. In effect, it urged the Soviets to keep the promise Soviet Premier Khrushchev made at Vienna to get an effective cease-fire in the Southeast Asian kingdom.

Western delegations are refusing to attend conference sessions here under the pressure of pro-Communist military action 7,000 miles away.

Harriman went to see Gromyko at Soviet headquarters.

By CARL HARTMAN

GENEVA (AP) — The international conference on Laos was still tightly deadlocked today with the United States and the Soviet Union sparring amid expressions from both that an agreement is desirable.

Soviet Foreign Minister Andrei Gromyko, returning to Geneva Thursday night for the first time since Premier Khrushchev met in Vienna with President Kennedy, quickly dashed hopes that he brought instructions to move the Communist position toward the West's.

"My pockets are empty," Gromyko told newsmen.

Gromyko told newsmen he had returned to Geneva to resume the conference and declared: "We still believe that if all parties are willing, it is possible to reach an agreement. I repeat, if all parties are willing."

The assumption was that he meant if all parties are willing to go along with the Communists. With the rebels holding the upper hand militarily, the Communist delegates at Geneva insist the cease-fire is effective and the conference should only discuss the political future of Laos.

The United States and Britain forced an indefinite suspension of the conference sessions Thursday after the pro-Communist Pathet Lao rebels drove a holdout government garrison out of the mountain village of Padong, deep in Pathet Lao territory. The West called the attack on Padong a serious violation of the cease-fire.

The Western allies refuse to participate in further conference sessions until the Communists agree to strengthen the powers of the truce commission in Laos to enable it to check immediately on violations of the cease-fire. But President Kennedy reiterated that the U.S. delegation was not quitting the conference to return home.

Communist spokesmen in Geneva and Red propaganda organs took the line that the attack on Padong was justifiable as a clean-up operation to wipe out U.S.-supported "bandits and saboteurs" harassing the population in Pathet Lao territory.

Underwriters Hold Dinner Meeting

The Four States Life Underwriters Assn. had its annual Ladies Night dinner Thursday, June 8, at the Holiday Inn in Texarkana. Those attending from Hope were Mr. and Mrs. M. S. Bates and Mr. and Mrs. Creighton Middlebrooks. M. D. King of Little Rock was a guest of the Bates.

Phil English, president of the Arkansas State Life Underwriters Assn., presented the National Quality Award to members for outstanding service to clients. Mr. Middlebrooks received the award for the first time. Mr. Bates is a two year member of this exclusive group.

Louis Throgmorton, vice president of Republic National Life Insurance Co. of Dallas and a former Arkansan, was the guest speaker.

Bible School Closing

The vacation bible school closing program of the Unity Baptist theme "Living by God's Tie" will be held tonight at 7:30 at the church.

AN OVERSEAS NATIONAL AIRWAYS DC-7 LANDED AT Hope municipal airport at 3:40 Thursday afternoon and discharged 76 touring German poultrymen for an inspection of the southwest Arkansas chicken and egg industry.

THE PLANE, DUE HERE AT 2:15, WAS DELAYED BY bad weather on its flight from Des Moines, Iowa; and it finally landed in a downpour. The chartered DC-7 is the largest of propeller-driven airliners — but it had no difficulty touching down on the municipal airport, the former \$1,300,000 military installation for the old Southwest Proving Ground.

THE GERMAN VISITORS WERE ENTERTAINED BY Corn Belt Hatcheries at 6:30 Thursday night with a chicken barbecue at the company's Blevins demonstration farm. Other guests included the employees and producers of Corn Belt Hatcheries, Delight Egg Farms, and Southland Farms — running the total in attendance close to 1,000.

DEAN OLSON OF OLSON BROTHERS, LOS ANGELES, was the speaker, and H. B. Wallace of Hy Line Poultry Farms, Des Moines, was a distinguished guest.

THE GERMAN VISITORS WILL CONTINUE THEIR INSPECTION flight Saturday.

Pilkinton Named to ABA Group

HOT SPRINGS, Ark. (AP) — The Arkansas Bar Association will study the operation of courts and semi-judicial administrative agencies in the state with the view of recommending possible changes.

Association President Will S. Mitchell of Little Rock announced the plan today and appointed a new Judiciary Committee headed by John Fogelman of West Memphis to carry it out.

Mitchell said the committee would "survey the entire system of administration of justice in Arkansas."

Herschel Friday of Little Rock was named vice chairman. Other members are Edward Gordon of Morrilton, James H. Pilkinton of Hope, William Pultman of Fayetteville and Willis B. Smith of Texarkana.

Hearlill Ragon of Fort Smith, as vice president, automatically succeeds Mitchell late today as president.

Oscar Pender of Blytheville was assured of the president's job next year when he was the only one nominated for vice president.

Circuit Judge Audrey Strail of Morrilton has been honored by the association as an outstanding jurist during his 22 years on the bench.

Named to Board

LITTLE ROCK (AP) — Gov. Orval E. Faubus Thursday appointed Hanks Spokes of Crossett to a five year term on the state Board of Pharmacy. He succeeds R. B. Steed of Star City.

This Kid Should Be the Governor

LITTLE ROCK (AP) — If Boys State Gov. Bill Allen of Brinkley were the real Arkansas governor, he'd have unemployed welfare recipients working in cotton fields.

"Each year thousands of Mexican laborers are brought into the state to pick cotton while many of our people go hungry and others sit idly by and draw welfare or unemployment checks for doing nothing," he said today.

"If I had my way, these persons would be out picking cotton or doing anything, no matter how little or how big, in the way of working."

Allen added, "If we have enough jobs to employ all of these outside laborers, then we have enough jobs to employ our own citizens first."

Allen also would strive to improve the state's industrial development program and expand other state facilities.

"I'd draw up something like the \$60 million construction bond issue that Gov. (Orval E.) Faubus has," he said of his ideas on improving the State Hospital, Children's Colony and other facilities.

Arkla and MidSouth Are Merged

LITTLE ROCK (AP) — Arkansas Louisiana Gas Co. and MidSouth Gas Co. asked for Public Service Commission action on their merger Thursday just hours after MidSouth stockholders gave their overwhelming approval.

The PSC set the petition for hearing June 26.

The firms said they would seek approval of other federal and state regulatory agencies having jurisdiction over their operations.

Under the merger, MidSouth stockholders will receive one share of Arkla common stock for each MidSouth share. The combined company will carry the Arkla name.

MidSouth stockholder approval of the merger at a meeting here was more than 20 to 1. The only opposition came from Wesley V. Jacobs of McGehee who read a statement opposing the merger.

MidSouth does business in east Arkansas communities from Jonesboro and Hoxie south to Eudora.

Both companies said the merger would permit cheaper service in MidSouth's territory.

Americans Welcome, Castro Says

HAVANA (AP) — Fidel Castro said today Cuba is open to Americans and Cubans are free to go to the United States — "even to go to American universities to see if they can be brainwashed there."

The prime minister spoke at the closing session of the leftist assembly of the Union of International Students. He made no mention of the tractor-for-prisoners deal in his two-hour speech.

The revolutionary leader berated foreign news agencies for their reports on the Cuba situation and declared: "Revolutions are the most misunderstood events in the history of the world and history is made not by news agencies but by the revolutionaries. We have never said we are Communists. This is a name that has been given to us. This is a socialist revolution."

Poultry Festival Opens at L. R.

LITTLE ROCK (AP) — The 2nd annual Arkansas Poultry Festival opened today with meetings of the Arkansas Poultry Federation and affiliated groups.

Meetings were scheduled for the Arkansas Egg Council, Arkansas Turkey Federation, Arkansas Poultry Improvement Association and Arkansas Poultry Processors Association.

Climax of the festival comes Saturday night with selection of a new poultry princess, who will represent the state next month at the Miss Universe contest in Miami, Fla.

A chicken cooking queen also will be selected. And Arkansas mayors will compete in a chicken cooking contest Saturday.

Kennedy Gets Victory With Housing Bill

By JOE HALL

WASHINGTON (AP) — President Kennedy wrapped up a smashing victory on the \$6.14 billion housing bill in the Senate early today, but only after a bitter fight through a marathon 13½ hour session.

Final passage of the omnibus measure — one of the big five on the President's 1961 legislative list — was put over until Monday.

But the Senate only quit at 1:35 a.m. after the bill had been advanced to a stage at which no further changes are possible.

Thus on Monday there will be only talk and a seemingly assured vote to pass the bill and send it on to the House.

In its final Senate form, the bill contains practically all of the housing programs asked by Kennedy.

But this turned out to be the case only after administration lieutenants battled for hours to reverse a severe defeat suffered Thursday afternoon at the hands of a Democrat.

Administration forces had been knocking down attempts by Republicans to chop the bill but they were caught by surprise at a maneuver by a Democrat, Sen. Albert Gore of Tennessee.

Gore won, 49 to 44, adoption of an amendment cutting from the bill the entire moderate income family program advanced by the administration. This is one of the new features of the bill on which Kennedy has set great store.

In its original form, it sought to aid families in the \$4,000 to \$6,000 bracket by offering no-down-payment 40 year mortgages to buy homes, and similar term, low-interest rate loans to non-profit groups to build apartments.

Gore attacked the 40 year mortgages as unsound and impractical. Sen. John Sparkman, D-Ala., floor manager for the bill, defended them as the key provision in the measure designed to aid "poor folks" through low monthly payments.

After much oratory and lots of jockeying in the cloakrooms, Mr. Sparkman finally devised a substitute which got the provision back into the bill by a 47 to 42 vote early today.

The only significant concession he made was to require a down payment on the housing. This could amount to \$550 on a \$15,000 home, the maximum price allowed.

Thirty Republicans and 19 Democrats voted for the Gore amendment; 41 Democrats and 3 Republicans opposed it.

On the reversal, 43 Democrats and 4 Republicans voted for the Sparkman compromise; 27 Republicans and 15 Democrats remained in opposition.

Fred Stewart, 51, to Be Buried at Oak Grove

Fred Stewart, aged 51, a resident of Rocky Mount road, died Thursday in a local hospital. He was employed by Electronic Enterprises here.

Survivors include two daughters, Paulette Stewart at home and Mrs. Carroll Stevenson of Hope.

Funeral services will be held at 3 p.m. Friday at Oak Grove Baptist Church by the Rev. Norman Grant and the Rev. James Shaddox. Burial will be in Oak Grove Cemetery.

Safety Chairman Attends Workshop

Mrs. Ernest Graham, the state safety chairman for the IID Council, has returned from a four-day recreation, arts and safety workshop at Camp Couchdale, near Hot Springs.

Mrs. Graham and Sgt. Jim Rowell, traffic safety coordinator for the Arkansas State Police, conducted a class on traffic safety. Over 200 women representing 74 counties in the state attended.

BUCKET SEATS ALONE DO NOT A MONZA MAKE

■ Cool ■ Little did we know, when we introduced the Corvair Monza last year, that we were starting a Big Thing. We just thought it would be pleasant if you could buy a car that treats you, the driver, like you want to be treated. ■ The bucket seats, of course, are the most obvious evidence of our desire to please you. But they're not the most important thing. No sir. What's really vital is the way a Monza handles—something nobody in the U.S. has yet copied. Or can copy. Because Corvair is the only rear-engine car made in this country, and you know what that means: steering light as a feather. (You even park this one more easily, it steers so briscky.) Beautifully balanced braking—the car stays level even under panic braking, which we hope you'll never have to do. Traction and more traction, so you don't become a stick-in-the-mud. The kind of cornering that's sheer joy to experience. ■ You got more: a fully independent suspension that blows out road shocks before they can rattle you. Clean, crisp styling. Thoroughgoing economy, from purchase price to operating cost. ■ You're not going to be satisfied with bucket seats alone, are you?

Referral Petitions All Filed

LITTLE ROCK (AJ)—Petitions to refer the congressional redistricting and railroad lookout repeal acts of 1961 to a popular vote were filed Friday with the secretary of state.

Referral petitions on another 1961 act—creating a Motor Vehicle Commission—were filed Tuesday.

The filings will suspend effectiveness of the acts until the election when an unfavorable vote could kill them.

The referral of the redistricting law may create confusion in 1962 congressional races. The six Arkansas House members—who face a battle for four seats next year—greeted news of referral with cautious comments or no comment Wednesday.

Rep. Dale Alford of the 5th District said, "It has been my position all along that this is a matter for the people to decide."

Rep. Jim Trimble of the 3rd District took note of a suggestion by state Rep. G. D. Smith Jr. that the state be split into north and south congressional districts with two congressmen to be elected from each.

"This is a new idea and I'll have to ponder it," Trimble said. "But it apparently will take an act of the legislature."

Smith was one of the leaders in the campaign to refer the redistricting act which—in effect—divides territory of the 5th and 6th districts among the old 1st, 2nd, 3rd and 4th districts.

It would place Alford and Rep. Wilbur Mills of Kensett into one district and Rep. Oran Harris of El Dorado and Rep. Catherine Norrell of Monticello into another. Trimble and Rep. E. C. Gathings of West Memphis would not have another incumbent in their districts.

Gathings said that if Wednesday development results in an at-large race, "a lean, lanky man from east Arkansas is going to be campaigning all around the state."

Alford also said he would be glad to campaign statewide.

Harris said the two-district proposal was new to him and he had no comment, either on it or the

rice gifts in a basket decorated with pink and orchid ribbons. Bridge was played in the evening at two tables. Prizes went to Mrs. Billy Wray, Mrs. Monty Monts, and Mrs. Thad Hawkins. Pink and blue cookies and mints, as well as sandwiches and punch were served, carrying out the theme of the party.

Mr. and Mrs. H. O. Kyler, Jr., of Russellville announce the arrival of a daughter on June 8. She weighed 6½ lbs. and has been named Martha Jane. Mr. and Mrs. H. O. Kyler of Hope are the paternal grandparents.

Mr. and Mrs. W. C. Butler and children will leave Friday for their home in Lake Jackson, Tex. after spending the week with Mrs. Olene Spears and Aubrey O'Steen of this city and Mrs. Butler of Springfield and other relatives.

Mr. and Mrs. Kenneth Leslie of Woodville, Texas announce the arrival of a daughter, Kathryn Renee born, Tuesday, June 6. Paternal grandmother is Mrs. G. C. Leslie of Springdale and Maternal grandparents are Mr. and Mrs. C. W. Tarpley of Hope.

Six Little Girls on a Fence

By HELEN WORDEN ERSKINE

Dear Helen: We are six teenage girls who have chummed around faithfully for two years. One of our group deserted five months ago. Peg goes with two boys, but not steady.

Boy number one comes from a wonderful family, is tall, dark and handsome and lives in another town. He dates Peg one night a week and loans her his car for Saturday shopping.

Boy number two comes from an equally fine family but isn't much for looks. Peg borrows his car week-day afternoons. He squanders money on her, takes her bowling or to a movie then they park in his car till midnight or later.

She calls us a bunch of squares because we refuse to park with boys but we'd rather be called squares than lose our good names. We date Tuesday, Saturday or Sunday and make our dates bring us home by 11:30 because we have to be up early for work.

The other nights we spend together either bowling, at a movie or shopping. Once a week we go to each others' homes to play records. Are we wrong and Peg right? —Six Teen-agers

Dear Teen-agers: You are right provided you don't let smugness overshadow virtue. Peg is to be pitied rather than condemned. Even though she has deserted you girls — you still should not desert her. Prove your friendship by supplying the love, understanding and wise counsel which she evidently does not get from her parents. Point out to her that she hurts only herself by these reckless midnight parking rendezvous. As playing one boy against the other, that's her business, not yours. Send a stamped, self-addressed envelope for my leaflet "Teen-Age Code."

Dear Helen: I am impressed by the answers you give. They are sensible, sincere and frank, but always kind. Although 43 years old, I feel that I too, should like to try my hand at writing. But if I have any talent at all it is strictly "raw clay" and would need cultivation. Do you think it more practical to take a correspondence course or just buy some books

petition filing. Mills said he had no comment. Arkansas will lose two House seats in 1962 because of a population decline reflected in the 1960 census.

The act repealing the railroad lookout statute was presented by its sponsors as putting railroads on an equal basis with other parties in damage suits. Opponents contended the law would make it impossible to get a judgment against a railroad for any accident on the tracks, at a crossing or otherwise.

The old lookout law requires trainmen to keep watch for anything which might be on the track ahead.

The third act on which petitions were circulated creates a Motor Vehicle Commission and gives it regulatory authority over the state's automobile industry.

Send your problems to Helen Worden Erskine. Be sure to enclose a stamped, self-addressed envelope and address her care of this newspaper. Helpful leaflets available.

Weather

west: Partly cloudy and continued warm this afternoon, tonight and Saturday with scattered afternoon or evening thundershowers. Highs today upper 80s central, mid to high 80s northeast, high 80s southwest. Lows tonight mid 60s central, low to mid 60s northeast, mid to high 60s southwest.

Southeast: Partly cloudy and continued warm this afternoon, tonight and Saturday. Scattered thundershowers this afternoon and scattered thundershowers Saturday. Highs today in the 80s. Lows tonight mid to high 60s.

Northwest: Clear to partly cloudy and warm this afternoon, tonight and Saturday. Highs today in the 80s. Lows tonight low to mid 60s.

ARKANSAS: Fair, little change

and study on my own? My interest would be in free lance writing and short stories. Just now my only work is that of a housewife. —M. S.

Dear M. S.: The chief value of any course in writing is discipline. We should all have some mastering dream in life. If the longing to write is strong enough within you, then let your inner self dictate.

Discipline it only to the extent of setting aside a certain, definite time every day for reading (this is very important) and writing. Study the classics. Read current best sellers for contemporary style. Write about people and places and things you know. Write, not for profit but pleasure. If the joy of doing is strong enough, it will shine through and eventually the cash will follow.

Thank you for your friendly word about the column. If I succeed in showing the concern I feel for those who turn to me, then I'm practicing what I preach.

Dear Helen: I have been going steady with a 20-year old boy who is the superintendent of his church. He neither drinks nor smokes. He has a crippled hand and foot. Because of this, my parents don't like him. My father says he will put a stop to our going steady. We love each other. What can I do? —Help

Dear Help: An affliction can often turn into a blessing by bringing out the best in a human being. As in all things, the law of compensation is ever at work. Charles Steinmetz, the great electrical engineer whose inventive genius seemed superhuman, was a cripple. Ask your parents to be open minded and not pass judgment until they really know your young man. But make sure that your own love is not colored by pity.

Send your problems to Helen Worden Erskine. Be sure to enclose a stamped, self-addressed envelope and address her care of this newspaper. Helpful leaflets available.

Indians Cling to Lead, Split With Detroit

By ED WILKS
Associated Press Sports Writer

The Cleveland Indians cling to a half-game lead in the American League race by splitting a pair of one-run decisions with second place Detroit Thursday night.

The Tribe, winning 10 in a row for the first time since 1953, won the opener 1-0, but the Tigers took a protested, 2-1 victory in the nightcap as Frank Lary became the first pitcher to win nine in the majors this season.

Third place New York split with Kansas City, winning 6-1 before the A's broke out for a 9-6 victory in the second game. The Minnesota Twins, after losing 13 in a row, fled the cellar with a 3-1 victory at Baltimore. Boston defeated Los Angeles 6-5 in the opener of a two-night pair, but the second game was called by rain and ended in a 4-4, 11-inning tie. The Chicago-Washington game was rained out.

In the National League, Cincinnati scampers back on top by a

half-game when the Reds beat Milwaukee 10-8 and Pittsburgh dropped the Los Angeles Dodgers 4-2. Philadelphia rapped San Francisco 5-2 in the only other game scheduled.

First-inning doubles by Johnny Temple and Vic Power gave Cleveland its run in the opener and handed six-game winner Don Mossi his first defeat. The Tigers out-hit the Indians 10-7, but lost their third in a row as Frank Funk nailed the victory for Jim Perry (4-4) with two innings of one-hit relief.

Detroit broke through for its first score in 15 innings when Norm Cash homered off loser Wynn Hawkins (5-3) in the second game of the nightcap. Lary singled and scored the deciding run on Charlie Maxwell's bases-loaded grounder in the fifth. Lary (9-3) struck out eight and didn't walk a man.

The Cleveland protest came in the eighth. While Detroit Manager Bob Scheffing was arguing that Cleveland's Bob Hale should have been called out at first base, the Tigers caught Hale off base. The Indians protested on grounds that time was out while Scheffing was on the field.

Bill Skowron drove in four runs for the Yankees in the first game, two with an eighth-inning homer that gave New York 32 home runs, an AL record, for 17 con-

Southpaw rookie Jim Archer (3-1) then ended the home run string and cut the Yankees' winning streak at six in the nightcap. The A's beat Danny McDevitt (1-2), coming from behind in a five-run third on a double by Hank Bauer and three consecutive triples, by Lee Posada, Norm Siebern and Joe Pignatano.

A two-run homer by Billy Martin in the third inning off Jack Fisher (2-7) gave the Twins their second victory in the last 20 games. Jim Kaat (2-5) won it when reliever Chuck Stobbs retired Jim Busby with the bases loaded in the ninth.

Boston beat the Angels and reliever Ryne Duren (1-6) with a pair of unearned runs on Gene Leek's error and Vic Wertz' homer in the seventh inning. Ted Wills (2-2) won it with four innings of three-hit, shutout relief.

Friend Knocks Dodgers From First Place

By ED WILKS
Associated Press Sports Writer

After losing seven in a row as a starter, Bob Friend beat second place Los Angeles 4-2 with relief help from Bobby Shantz Thursday night, pushing the Pittsburgh Pirates within 3½ games of the National League lead again.

The loss dropped the Dodgers a half-game behind the Cincinnati Reds, who defeated Milwaukee 10-8 despite four consecutive homers by the Braves that set a major league record.

Philadelphia beat San Francisco 5-2 in the only other game scheduled in the NL.

In the American League, Cleveland clung to a half-game edge over Detroit after splitting a two-night doubleheader with the Tigers. The Indians won the opener 1-0, then lost 2-1. New York split a two-night pair with Kansas City, winning 6-1 before the A's bounced back 9-6. Minnesota beat Baltimore 3-1. Boston defeated Los Angeles 6-5 but the second game of the two-night twinbill was called because of rain and ended in a 4-4, 11-inning tie. The Chicago-Washington game was rained out.

A pair of two-run homers by Bob Skinner and Bill Mazeroski in the fourth inning did it for the Pirates against Stan Williams (4-5). Willie Davis homered in the sixth for the Dodgers. Shantz came on in the eighth nailing it for Friend (6-7) with 1-2-3 hitless innings of relief.

The Braves walloped six home runs, two by Ed Mathews, while losing their eighth in 11 tries against the Reds. Mathews, Hank Aaron, Joe Adcock and Frank Thomas put together the record four-in-a-row in the eighth inning off winner Jim Maloney (4-2) and reliever Marshall Bridges. Losing pitcher Warren Spahn (6-5) tagged the other home run. Gene Freese, who drove in four runs, and Gordie Coleman hit home runs for the Reds, with Freese's three-run shot off reliever Moe Drabowsky clinching it in the sixth inning.

Philadelphia defeated Sam Jones (3-5) for the first time in nine decisions since June 27, 1959. John Buzhardt (2-5) beat the Giants for the first time in his career. He allowed four hits, two of them solo homers by Willie Mays and Willie McCovey.

Shortstop to Join Travelers

LITTLE ROCK (AP)—Billy Joe Davidson, 24-year-old shortstop, will join the Little Rock Travelers for tonight's Southern Association baseball game with Birmingham.

Travel General Manager Ray Winder said Davidson, who has been with Nashville, was acquired through the New York Yankees. Davidson was with Houston of the American Association and Amarillo of the Texas League last season.

It was not announced what change would be made to make room for Davidson.

Travelers Find Macon Real Tough

By VERNON BUTLER

Associated Press Sports Writer

Don't try to sell the Little Rock Travelers on the idea that Macon is the 1961 version of the Southern Association door mat. The Travelers limped home today, wondering how an eighth-place ball club can be so disagreeable.

Macon flattened the Travels four times in a five-game series, and Thursday night's 10-3 beating was typical of the clouting capers staged by the Peaches, who have won seven of 11 games since Jerry Snyder replaced Max Macon as manager.

Chattanooga received superlative pitching from Al Neiger and John Boozer and swept Atlanta out of second place 2-1 and 4-0. The Lookouts increased their league

lead to three games over the Crackers and to 2½ over Birmingham, which lost to Shreveport 8-7.

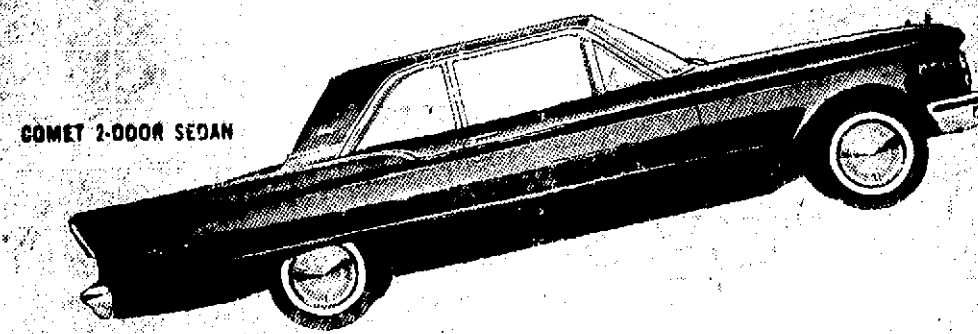

Nashville downed Mobile 9-0.

First baseman Bill Gabler continued to be Macon's lead in g

hatchet man. Gabler upped his home-run total to 13 with a three-run blast in the fourth that wiped out a 2-0 Little Rock lead. Gabler, who leads the league in homers, also boosted his run-batted-in total

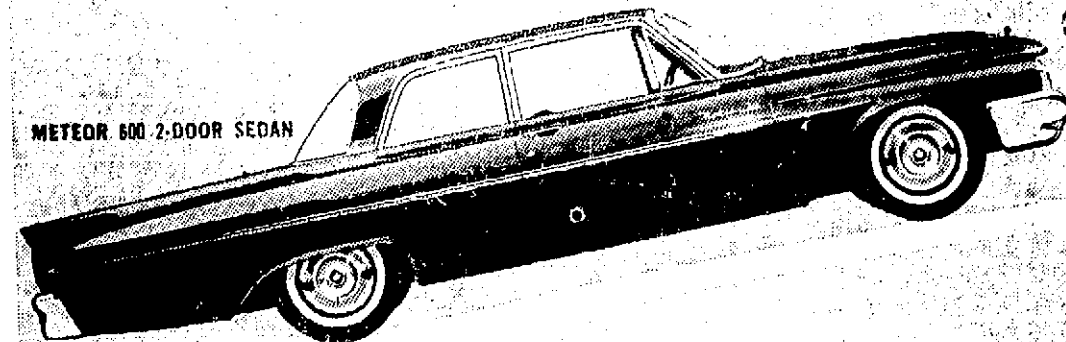

to 12 for the five-game series. Chuck Brockell homered for the Peaches, who backed Jim Stump's steady pitching with an 11-hit attack on loser Charles Ready and reliever Roger Kudron.
